An online lecture was organized by the department of Commerce Yeshwantrao Chavan Mahavidyalaya Tuljapur for B.Com students on "Career opportunities after B. Com in business and Finance sector" of Dr. Anant Matole. He explained opportunities in business and financial sector.

He also focused on various areas. After obtaining a B. Com degree, individuals can seek out countless career opportunities in the Banking, Accounting and Finance sectors. As finance is one of the four pillars of any business organization, qualified professionals in this field are in high demand. Those with a B. Com can look forward to a variety of potential roles within these industries, as well as other related ones. Given below are the sectors that one can get into after completing their B. Com

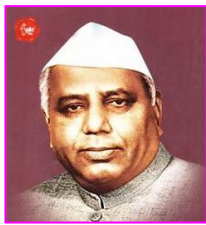

Selecting the right career after B. Com is essential for succeeding in Commerce. Students interested in the commerce field must not rely solely on the B. Com Course. They should strive for their postgraduate degree and learn more in-depth in their field of interest. Some popular degrees they should go for are M. Com, MBA, CA, CS, etc.

The lecture proves to be fruitful under the guidance of Principal Dr. M. G. Babare and lastly gave a vote of thanks Shri Nitin. M. Birajdar, and all faculty attend this lecture.
