- 7) **Report: -**

The Department of Commerce organized an educational tour to S.P. Brick Manufacture and Cement Product Company, located in Tuljapur, on 10th March 2025. A total of 15 students participated in this industrial visit. The objective of the tour was to provide students with practical exposure to brick manufacturing processes, raw material management, production techniques, quality control, and marketing of cement-based products.

During the visit, students observed the following:

Raw material selection and mixing

Brick molding and kiln burning process

Types of cement products and their usage

Packaging, storage, and delivery systems

Interaction with the company supervisor on business operations, labor management, and cost efficiency. The tour was highly informative and helped students relate their theoretical knowledge to real-world industrial practices. It also inspired entrepreneurial thinking and interest in small-scale manufacturing. The faculty members appreciated the enthusiasm shown by the students and encouraged those to take part in more such experiential learning activities.
